Role Profile ID

Role Purpose : This role is the main customer-facing role in CTSC, and will provide an accessible and inclusive service to users, providing clear signposting and guidance to all users, coaching them in the use of the online platform and providing information to resolve their queries and processing/updating high-volume case details accurately and efficiently. They will deal with the needs of service users.

HMCTS is responsible for the administration of courts and tribunals across England and Wales and non-devolved tribunals in Scotland and Northern Ireland for supporting an independent judiciary to administer and improve access to justice. The organisation has a strong emphasis on delivery and a strong customer-focus, with evidence-led performance management key to its operations. HMCTS is embarking on a period of significant change which will see the organisation transform over the next 5 years to deliver a world class justice system. Our vision is to have an efficient and effective courts and tribunals system which enables the rule of law to be upheld, and provides access to justice for all. Our Courts and Tribunal Service Centres (CTSCs) will provide the first point of access for all users of courts and tribunals, ensuring that all cases are dealt with efficiently and effectively, providing a quality service and an outstanding user experience. They will be places where user queries are dealt with fully, cases are progressed in a timely manner and will ultimately provide the administrative backbone of the courts and tribunals system.
